Dear Examiner Gembeh:

The owner, The Procter & Gamble Company, of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §154 and §173 as shortened by any terminal disclaimer filed prior to the grant of any patent granted on pending Application Number 10/706,104, filed on November 12, 2003. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the pending application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §154 and §173 of any patent granted on the said pending application, as the term of any patent granted on said application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending
